

## Rocky Mountain Health Plans - H0602 2018 Medicare Star Ratings\*

The Medicare Program rates all health and prescription drug plans each year, based on a plan's quality and performance. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

- 1. An Overall Star Rating that combines all of our plan's scores.
- 2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our Members rate our plan's services and care;
- How well our doctors detect illnesses and keep Members healthy;
- How well our plan helps our Members use recommended and safe prescription medications.

For 2018, Rocky Mountain Health Plans received the following Overall Star Rating from Medicare.
